

Book Week:

It's that time again! Keep fingers crossed that we're not snowed in for World Book Day again... We have lots of exciting things planned across the week, including storytelling workshops!

PLEASE NOTE: If any parents would like to come in and share their favourite kid's book with your child's class this week please arrange a suitable time with the class teacher.

English and Maths:

We have a 'Where's Wally' theme during Book Week this time. All English lessons will be related to Where's Wally, such as character descriptions and creating a story about Wally's adventures.

In Maths we will be recapping our knowledge about place value to 50.

Bug Club homework

Just a reminder that this week the children should log in to Bug Club and complete at least one book including all the 'bugs' (comprehension questions).

Any questions or technical issues - please let us know!

World Book Day

This will be on Thursday 7th March - children may dress up as any appropriate book character on this day.

PE kits

Just a reminder that these need to be returned to school ASAP for PE lessons to run smoothly. Please double check that your child's kit is named and that they have suitable attire - trainers and tracksuit bottoms are preferable at the moment!

Have a great weekend!

Love, The Year One Team
