

Book Week!

This week we have had an amazing week exploring Wheres Wally? We had a fantastic work shop on story telling, wrote adventure stories, we've created character profile, top trumps and loads more!

We had an amazing time on Thursday dressing up and everyone made such a brilliant effort. Thank you!

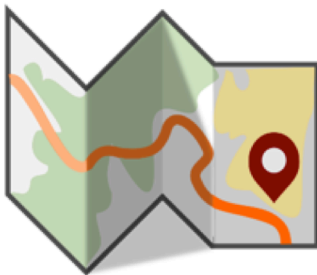

Maths:

This week we looked at 2D and 3D shapes. We looked at the features of the different shapes and began classifying them. Ask me all about it!

Geography:

Keeping with our Wheres Wally? Theme we have been looking at human and physical features.
