

English:

I can see the rainbow.	I saw the rainbow.
They talk to each other.	They talked to each other.
I need help.	I needed help.
We look at the birds.	We looked at the birds.
They move through the crowds.	They moved through the crowds.

In the final week before half term we will be practising spelling days of the week and learning more about tenses (specifically past and present tense).

Spend some time talking with your child about things you are doing/things you have done and the difference in the way these things are worded.

Maths:

We have been halving lots of things this week, including amounts of money!

Next week we are going to have a go at quartering and doing some revision activities around fractions.

Windsor Castle trip

We are over-subscribed for helpers - thank you all for volunteering!

Adults with current DBS will be given priority but we will be pulling names out of a hat for any available spaces and we will let you know as soon as possible if we can bring you along.

Phonics homework

Please note: spellings homework will take a break after the test on Thursday 23rd May. We will soon be sending home a pack of phonics homework for some extra practise ahead of the Phonics Screening Check which is coming up next half term.

Please take some time to look through the pack and encourage your child to have a go at the challenge!

Have a great weekend!

Love, The Year One Team
