

## English:

We are going to start a Fairy Tale topic which will last for around 3 weeks. We are going to start by establishing what sorts of features you might find in a fairy tale: good characters, bad characters, magical elements/creatures etc. Please spend some time sharing and reading Fairy Tales with your child.

We are going to be working on further place value, recapping previous learning and building upon this.

Please spend some time looking at numbers to 100, encouraging children to write and find the correct representations for these larger numbers.

## Windsor Castle trip

If you volunteered to come along please could you speak to your child's class teacher - we would like to confirm with you all whether we can bring you along and thank you all for volunteering yourselves!

## Spellings homework

Please note that there will be no new spelling homework sent home until Friday 14<sup>th</sup> June, with spellings tests resuming on Thursday 20<sup>th</sup> June.

We have also not set any new Mathematics or Bug Club homework as we would like the children to continue to use the contents of their phonics pack at home for the time being.

Thank you for your understanding.

Have a great weekend!

Love, The Year One Team
