

## Week Beginning 24.6.19

### This week:

This week we have been celebrating 'Feel Good Week' in school! We have talked about what makes us feel good and puts a smile on our face. We discussed what food is good for our bodies and made (and then ate!) our own fruit salad! We have listened to music that makes us happy and have moved our bodies to music too. We have discussed how we can ensure we keep our friends happy and what we could do to help if someone was feeling sad. We have also decorated a 'positivity pebble' and the children listened well in a Road Safety workshop.

In maths we have recapped addition and subtraction and have focused on asking the children 'how do you know?' and 'can you explain why?'

In phonics we recapped 'ew' and learnt that it can also be represented as 'ue'. We also learnt the Rainbow Word 'one' and used it in sentences.

### Next week:

On Wednesday the children will meet their new class teacher and will explore their new classroom on Transition Day! We can't believe that their year in Reception is coming to an end! We will be having lots of discussions with the children about the changes that are going to happen and answer any questions they may have. We also have the Big Lunch to look forward to on Friday!

### Help at home:

Please spend some time talking to your child about the transition to Year 1. This is a very big step in their school journey and we want to ensure they are happy and excited for the next part of their adventure. If they have any questions that you are unable to answer or if they have any specific concerns, please let us know and we will do all we can to support your child.
