

## Week Beginning 1.7.19

### This week:

We have spent lots of time this week answering the children's questions about Year 1 and ensured that it was normal to feel worried or scared when a change is about to happen. We wrote letters to our new teacher, telling them about ourselves and asking them any questions. On Wednesday the children found out and met their new Class Teacher! They explored their new classroom and had lots of fun! They were all very brave and we were very proud of them.

On Friday we enjoyed the Big Lunch in the sun with our grown-ups!

### Next week:

In maths we will be solving some problems for the Muddle Monkey! We will try and find lots of different ways to get to the same answer. We will be talking about distance and using the words near/far/close to describe where objects are.

We are excited about Learning Powers Art Day which is on Friday. The children will be spending the day in the Houses and learning different skills.

In phonics we will be recapping the sounds we have learnt, using them in words and sentences.

### Bug challenge:

Can the children practise writing their rainbow words?! Use your envelope of words for help. Send in your incredible writing for show and tell at school! Can you challenge them to write them in a sentence?! Good luck!
