"Together we are Better"

## Weekly Focus

Friday 29<sup>th</sup> January 2021

Dear Parents and Guardians,

Last week, I said "fingers crossed the sun stays out"....and it snowed! It has been lovely to see what the children did on their snowy Sunday, their photographs and pictures demonstrated the fun they all had with their families. For many of us it was a wonderful change that we all really needed and enjoyed!

### Half-Term and Track and Trace

We found out from the Government this week that schools will close as usual over the February half-term and will not be expected to remain open to vulnerable children and the children of critical workers during this week. Schools have been asked to support the Government in Track and Trace at the start of the February half-term. We will send further information out about this process next week.

### Thank you Seymours

Seymours ran a photo competition towards the end of last year and we were thrilled when one of our parents won the first prize of £750! We are so grateful that they picked our PTA as their charity to receive this prize from Seymours. With fundraising limited at the moment, this money is much needed to continue the PTA's work. Unfortunately with Covid restrictions it hasn't been possible to arrange a presentation with the Seymours team, but the money was received this week. We are so grateful for their continued support for our schools and community, as they have also previously sponsored the Summer and Christmas Fairs. Here is the stunning winning photo, taken on a walk last year in Brookwood.

We can see how hard everyone has been working this week and we would like to say a massive thank you to all of the children for their engagement in their learning and to all our families and staff for the support they are giving them. Everyone is doing an amazing job and we hope you can all have a restful weekend.

Miss J. Concannon  
Federation Headteacher

### Surrey Local Offer

## The online hub for 0 – 25 year olds with special educational needs or a disability.

What is the **Local Offer**? Every **local** authority must publish a **Local Offer** which tells you what support the **local** authority expects to be available for children and young people with special educational needs (SEN) and/or disabilities. It must include information about education, health and care provision.
