Dear Parents and Guardians,

RE: Breakfast and After School Club – Fit for Sport

I am writing to let you know that, following a review of our current before and after school provision, Fit For Sport, we have decided to change our provider. Fit For Sport will be offering the service at the federation up to the Easter holidays.

Staff from our new provider KOOSA Kids will be writing to all parents shortly to introduce themselves, explain what they offer and to provide you with information regarding how to book for the summer term provision.

Please be assured that we are working closely with KOOSA Kids to ensure an ongoing excellent service and seamless transition for parents and pupils who currently use the provision. We hope that many others may be tempted to try the provision for the first time.

Finally, I would like to thank Fit For Sport for working with the federation for the past 18 months.

Yours sincerely,
