

30/6/2017

This week...

With all the rain this week, we had to postpone our Sports Day, but hopefully it will go ahead as planned, next Tuesday 4th July!

We have had a very interesting time hunting for Mini-beasts in the Woodland Enclave and plenty of exciting investigations into the habits and habitats of spiders, bumble bees, snails etc. Some beautifully colourful snail shells were made using a variety of materials. We also enjoyed songs about Mini-beasts.

We've also had a very busy time running shops in the classrooms, selling various groceries, practising using money at the till, and making sure that we always get the right change!

At the creative table, the children designed their own coins and there were some lovely ideas for the Royal Mint!

Coming up next week.....

Sports Day will be held on Tuesday 4th July, weather permitting.

The children are going to have a lovely opportunity to really use their imaginations to write their own stories.

We'll be having a very creative week, too, illustrating a display of their journey through Knaphill Lower School so far.

On Wednesday, the classes will each go to the Year 1 classrooms to meet their new teachers, which will be very exciting!

What a busy week ahead!

Bug Challenge! (Just for fun and if you have time)

Can you help your grown-ups make sure they have to right amount of money to buy what they need at the shop? What coins do you need? (Make sure you get the correct change, too!)
