What you told us about our holiday clubs in 2016...

In order to ensure we are always offering the highest levels of service and childcare, throughout 2016 we asked our current attendees (parents and children) to tell us exactly what they thought of our holiday clubs...

94% rated their overall experience of KOOSA Kids as either excellent or good

96% of parents thought that we offered excellent or good value for money

95% rated our activities as either excellent or good

94% of parents rated our booking procedure as either excellent or good

95% rated our staff as either excellent or good

“Once again Dylan thoroughly enjoyed his time at KOOSA Kids - so much so, he wanted to come to you instead of going on his summer holidays! Your staff are amazing. Thank you!”

Parent, Woodley Holiday Club, August 2016

It's not just our parents and children that tell us how good we are either. Here is what one Ofsted inspector had to say about us:

“Coaches work with parents in inspirational partnerships to promote children's enjoyment. Ideas are expertly exchanged to ensure that support for children is continuous. Children are very comfortable and settled at the club. They eagerly participate in routines that are expertly designed to promote their independence, confidence and social skills. Children build strong attachments with coaches, who skilfully invest in quality time with them.”
