

17/07/17

Hello and welcome to our last Year 1 blog! We have had such a lovely time over the year and will miss them when they move up to Year 2.

This week we will be focussing on our transition to Year 2, as well as looking back at all of the lovely things that we have done this year. We will be creating a Year 1 Year Book celebrating all of our achievements over the year.

We will also be celebrating all of our wonderful talents and skills by having our own class talent shows. This will be a fantastic end to the year.

Although reading books cannot be taken home over the holidays you will still have access to Bug Club, as well as Purple Mash and Mathletics so please make use of these.

You will be receiving your child's books home from the year soon. As there are quite a lot of these please could you provide your child with a plastic bag to put these in. You will also receive their grass heads home which you will need to top up with water and they should continue to grow over the summer.

Thank you for all your support and hard work this year!

Love The Year 1 Team

### Helpful hints

Here is a good website to practise some phonics over the holidays

<http://www.phonicsplay.co.uk/>

A great website for maths games and activities
