

English:

This week we have been showcasing our work and completing worksheets. We have had several opportunities to practise our speaking and listening skills as we rehearse for the performances next week. We have also taken part in a whole school writing piece where we described a character, how they look and their characteristics.

Maths:

Our work on multiplication has continued. We have look at groups; checked they are equal; calculated how many are in each group; how many altogether, and different ways of representing the groups.

Three groups of four, 3×4 , three 4's, $4+4+4$,

Christmas Production:

The children have been working hard on the production. They know their lines; they know the songs; they are learning where they need to stand, and how to get on and off the stage. If any costumes are not in school, please ensure they come in on Monday

Reading.

During the week your child will continue to be heard by an adult once each week. Please continue to read at home with your child and record those in their Reading Record.

Have a lovely weekend and try to practise your lines!

Love, The Year Two Team
