

English:

Ride on the horse, walk to school, cut the paper, put on your pyjamas. Bossy verbs is what we have been looking at this week. Using Imperative verbs to give orders, instructions or commands. We have looked at the verbs, how we use them and applied that knowledge to write instructions for a purpose.

Maths:

More money. We have worked really hard on applying our maths strategies to money. Adding, subtracting, talking about how we use money, looking at change, working out change, buying things and then finally showing off our super money skills.

PE:

In our PE sessions we have started gymnastics. So we have been looking at how our body moves; how to control it; what we can do with our bodies, and how we can keep safe.

Food allergies / Religious needs

As part of our work on instructions we will be making jam sandwiches next week. The school has a list of allergies and religious needs for each class. If there are any changes to your child's medical or religious needs, please tell your class teacher as soon as possible.

Can you see any signs of spring yet?

Love, The Year Two Team
