

English:

Next week we are going to concentrate our efforts on learning about what Christians believe about Easter and writing about what eggs have to do with Easter.

Maths:

We will be doing a Maths themed Easter hunt but shhh... it's a secret from the children until Monday! We will also continue recapping some of our Maths skills from the term.

Spellings over Easter:

Please note that we will do our last spelling test of the term on Wednesday 28th March. We will be sending home a list of the Year 1 Common Exception Words that children are expected to read and spell correctly by the end of the year. We would be grateful if you could encourage your child to spend some time in the holiday spelling these words.

Phonics:

It's that time again - we will be busy assessing the children's phonic knowledge using Phonic Screening Past Papers until the end of term so regular reads with their reading books will be slightly disrupted.

Thank you for your patience!
