

English:

After the half term we will be starting our new topic "Rhymes and Rhythms" and we will be kicking this off in English with some lessons on poetry - how it is laid out, how the punctuation can be different, etc. It would be really beneficial to spend some time looking at and reading poetry with your child over half term.

Maths:

We are going to cover addition and subtraction to start this half term off. We will be introducing new vocabulary linked to what they already know - add, addition, plus, subtract, take-away, etc. We will also be learning about number bonds to 10 and working on what makes a number bond to 10.

Parents Evening

It was lovely to have so many of our Year One parents attend the meetings this Tuesday and Thursday - always nice to have a proper conversation with you all instead of a fleeting one at the door!

As always, if you have anything further that you would like to discuss we are more than happy to make an appointment to see you during the term ☺

Spelling homework

A quick reminder! Spellings will go home weekly after half term (sent out on Fridays) - there is a note stuck in the front cover of the children's spelling books to notify you of how we intend to use the book. After the first couple of weeks if your child struggles with any aspect of their spelling homework please do let us know and we will do our best to support.

Have a lovely half term!

Love, The Year One Team
