

English:

After reading the Bear and the Piano last week we have written our own stories where a different animal has found an instrument and has become famous.

Maths:

In maths, we have been learning to identify equal groups. We learnt that equal means the same and can identify pictures of groups and can represent them in different ways.

Topic:

Nurturing Nurses

This week we have had a nurse come to visit Year 2! We asked them lots of questions so that we are able to compare their job to nurses in the past.

Nurse

Science:

Our topic this half term is materials. This week we carried out a test to see which material was the stretchiest.

Have a lovely weekend!

Love, The Year Two Team
