

English:

We have read the story *The Bear and the Piano*. We have written a book review, had a go at playing the piano and listened to a performance on the piano. We composed our own pieces of music on a glockenspiel and performed them in a concert to the rest of Year Two.

Maths:

In maths, we have been learning to solve two step problems. We have applied them to our maths learning from the previous weeks, adding and subtracting 1s and 10s, using number bonds to 20 and adding three one-digit numbers. We can read the problem, circle the important numbers and information, decide the calculation and show our working out.

Topic:

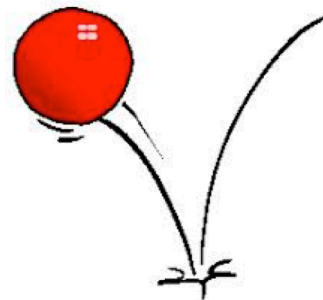

Nurturing Nurses

This week we have learned about another nurse from history - Edith Cavell! We wrote a diary entry about her life. Have you seen the statue of her in London?

Science:

Our topic this half term is materials. This week we carried out a test to see which ball was the bounciest.

Have a lovely weekend!

Love, The Year Two Team
